

WESTGATE DEVELOPMENT - ALDERSHOT

Construction Newsletter

February 2012

Dear Neighbour,

Welcome to the February edition of the Westgate newsletter.

As you may have noticed roadworks have commenced on Wellington Avenue. These works will continue over the course of the next four months and should be complete by the end of May

During this period we will be widening the lanes on Wellington Avenue, forming the new entrance to the development and completing a new central reservation.

Improvements will also be carried out on the Willems roundabout which will also be complete by the end of May

Structures are now underway to the three main areas of the site: Morrisons, Travelodge and Cineworld.

Travelodge

Cinema

Morrisons

Steel erection will continue over the course of the next couple of months

Our ground works operation will be coming to an end in February as the workforce transitions into building the superstructure of the project.

Considerate Constructors

The site was recently recognised as 'performing beyond requirements'.

We will continue to make our presence in Aldershot as pleasant as possible as we push on with the building work in 2012

Our 24 hour answerphone service is still up and running and we welcome any comments/ observations you may have.

Safety

Access to our site is strictly controlled through our Wellington Avenue entrance and any visitors to our offices should enter at this point.

The site is now being constructed in multiple locations as well as heights.

We welcome observations through our hoardings but no member of the public should enter site unless accompanied by a McLaren member of staff

We would welcome comments you have regarding the scheme and should you need to contact one of the team please call us on:

03330 770635 during office hours or email on:
